

First Annual Local Business Tradeshow

Monday, May 12, 2014

11:30 am - 1:30 pm

in the outdoor space between the two hospitals

Southside Institutions Neighborhood Alliance (SINA), Hartford Hospital, and Connecticut Children's Medical Center will be conducting our First Annual Local Business Tradeshow! The purpose of the event is for local business and institutional employees to familiarize themselves with each other.

We ask that vendors offer goods and services at a discounted price, and we offer to list the vendors in the directories that exist as employee resources at both of the hospitals and promote their attendance in the event so that many of our employees can visit during their lunch periods on that day.

The event is FREE, and we invite you to register by filling out the attached form and submitting it to Linda Valentin at SINA. Once we determine your eligibility, you will receive a confirmation email with all the logistics. **Space is reserved on a first come, first serve basis, so please register at your earliest convenience.**

We look forward to hopefully doing business with you!
