Fair**

Filming Projects 3-12 Judging Rubric*

Judge Number:

	Project Number	Grade	Film Title	SCORING					Comment
				10=Excellent What makes people special?	8=Very Good Technical Display	6=Good Visual Display	4=Fair Acting	2=Needs Improvement Total	
1									
2									
3									
4									
5									
6									
7									
8									
9									
10									

Judging should be based on the following categories, weighted equally.

What makes people special Message: Does the film have a very strong and well represented message about **What makes people special?**

Technical Display: Is the lighting perfect? Are the Text or voiceover and music used effectively to deliver the message without spelling/grammatical errors?

Visual Display: Does the video make great use of props and costumes? Are scenery changes effective in delivering the message and well planned out?

Acting: Is acting excellent? Is the video very entertaining? Was the video length within the maximum time allowed, 90 seconds?
